

AWO TRIALOG IN HEIDEKREIS

Since the summer of 1998 AWO TRIALOG offers a variety of aids for people with mental illness in Heidekreis. Among other counties the area includes the populous towns and communities Bad Fallingbostal, Munster, Schneverdingen, Schwarmstedt, Soltau and Walsrode.

The offer of reintegration assistance of AWO Trialog for Heidekreis includes services for inpatient, semiresidential and outpatient areas.

At this location in addition to the dwelling with 28 places and the contact point of the outpatient assisted living the Social Psychiatric Center is also located.

The Social Psychiatric Centre is a meeting place and also offers third people the possibilities, using rooms according to appointments. In the Social Psychiatric Center there is the daycare center, the mobile psychiatric nursing service and the office for occupational therapy affiliated.

According to our mission statement, AWO Trialog perceives itself as a component of the social psychiatric services network.
